Proactivity is a proud partner of:
FOUNDATION
The first year of school is filled with new routines, experiences and learning that are the basis for attitudes and skill development for the rest of a student’s life. At Proactivity we offer positive experiences in movement that encourage your students to be their best.

- Play Based Movement
- Ball Play
- Emotional Literacy
- Fundamental Movement Skills
- Movement to Music
- Circus Play

YEAR 1 AND 2
Our Proactivity programs are student-centred experiences that ensure that children are not waiting in lines and maximise their active participation. Our program designers ensure that your students will be experiencing developmentally-appropriate activities that will develop their love of movement.

- Fundamental Movement Skills
- Team Building Experiences
- Athletics Skills
- Circus Skills

YEAR 3 AND 4
As children progress to the middle years of primary school they are eager to develop their skills in modified sports. At Proactivity we focus on a strength-based approach to learning and use modified equipment and games to develop your students’ movement skills and self confidence.

- Educational Gymnastics
- Athletics
- Karate
- Yoga

YEAR 5 AND 6
Our programs for Years 5 and 6 are designed to encourage cooperative learning as well as build self confidence, team-work and movement skills. The Proactivity way ensures coaches create positive learning environments that allow students to interact and develop their skills in sport.

- Leadership Programs
- Gymnastics
- Dance
- Games Sense

GYMNASTICS PROGRAMS
Our gymnastic experiences develop students’ fundamental movement skills, building confidence and coordination.

- Educational Gymnastics - developing students’ confidence in movement and collaboration.
- Aerobics Programs - ideal for classes working together in teams and moving to music.
- Cheerleading - to develop teamwork, coordination and performance skills.

MODIFIED EQUIPMENT AND GAMES
Proactivity is proud of the high quality movement experiences we offer to schools. Our success is due to our use of developmentally-appropriate equipment and our coaches’ creation of safe, positive learning environments.

- Team Building Activities
- Ball Games
- Ninja Warrior Challenges

AQUATICS AND SWIMMING
We specialise in supporting your school’s aquatic education programs with:

- Swimming Coaches - to support your swimming and aquatic programs.
- Survival Skills - as mapped in the Victorian Curriculum.
- Aquatic Skills Program Design - to support the needs of your students.
- Water Confidence Programs - to build more confident participants in aquatic environments.

HEALTH AND WELLBEING
At Proactivity we understand the role of good health and wellbeing. Our school programs build students’ knowledge and understanding about emotions and relationships. We offer experiences that will allow your students to manage emotions and understand the physical and social changes that occur as children progress through their primary education.

- Nutrition Programs
- Mindfulness
